

HANDBOOK 2026-2027

Please read the following carefully. You are responsible for the information provided in this packet.

Please make sure you complete the Registration Form at the link below prior to auditions.

There will be a mandatory parent meeting for all prospective parents during auditions on May 1.

REHEARSALS:

Rehearsals will be held Friday afternoons 4-6pm with occasional Saturdays, Tuesdays, and Thursdays as indicated by the schedule. We have a very limited amount of time to accomplish an incredible amount of work, so please show up on time, ready to work. This includes coming to rehearsal properly dressed, warmed up, and with all needed materials (i.e. script, shoes, etc.).

We will have space available for an optional student-led group warm up every Friday at 3:50 for anyone who is interested in participating.

Parents, please make sure that your child has adequate transportation to and from our facility, and that your child is picked up on time. Our instructors are required to stay and wait with any child not picked up and are not paid for this time, so please be conscientious and pick your child up on time.

ATTENDANCE:

Rehearsals will begin promptly at the scheduled time, so please be a few minutes early for each rehearsal so that you can be ready to go when we start. If you must be absent or late, please notify the Youth Theatre Carson City staff (see contact information below) *before* the absence or tardy so that we can adjust our plans accordingly. We understand this is a very large commitment and expect that cast members will have to miss from time to time; however, excessive absences and tardies may result in loss of roles, suspension or removal from the group.

Each Showstopper is allowed **3 unexcused/non-emergency absences** for the year with no consequence, so please plan ahead. Excused absences include medical or family emergency (with appropriate explanation), graded school event, or religious observance. Absences for other rehearsals or performances, extra-curricular activities, family vacations, etc. will not be counted as “excused.” Additionally, *any* absence that is not communicated to the YTCC staff with appropriate notice will not be excused. Missing dress rehearsals or those marked as mandatory on your schedule will result in not being allowed to perform in the following performance.

BAND APP PARTICIPATION & REHEARSAL AT HOME:

As part of the group, you are required to log on to and regularly check the Showstoppers rehearsal page on Band App. Band is our major form of communication for this group and we regularly post announcements, changes, etc., so you will need to download the app to access this information. There is also a desktop version of the app for students without cellular devices. Rehearsal materials and videos will be posted to the app after each rehearsal, and every showstopper is required to do their homework.

REHEARSAL CLOTHES/SHOES:

All students must “dress out” for every rehearsal in dance pants, sweat-pants or sports shorts, and a comfortable T-Shirt (preferably with no logos or writing, as we often take publicity photos during rehearsals), and dance shoes. Hair must be worn pulled back off the face. We are happy to assist in finding proper rehearsal clothing as necessary. Students not properly dressed for rehearsal will not be allowed to rehearse.

UNIFORM:

You are responsible for the following uniform pieces. If you have trouble obtaining any of these items, contact us as soon as possible and we will do our best to assist you. All Showstoppers receive uniform t-shirts, jackets and competition gear.

Girls: Tan jazz shoes

Black jazz shoes

A pair of good blue jeans (no holes or embellishments)

A pair of all-black tennis shoes you can dance in (for outdoor/street performances).

Hair must be worn off the face and be neat and presentable, and no visible jewelry (including ear or facial piercings) or tattoos should be worn when in uniform. Specific hairstyles will be determined per performance. Stage make-up will be required when appropriate. Hair should be a natural color for all performances.

In addition to the standard uniform, you may be asked to provide simple costume pieces as needed.

BEHAVIOR:

We expect all Youth Theatre Carson City students and their parents to be respectful to themselves, other cast members, YTCC, WNPAC, and MTCA Staff (including any teenage helpers), parent volunteers and the spaces we work in. We want to maintain a fun, safe environment for you to learn and grow, so please help us to do that. YTCC's *Showstoppers and Rising Stars* represent the most dedicated, enthusiastic, and skilled members of Youth Theatre Carson City, and their behavior must reflect that. This includes behavior outside of YTCC programs. Bullying of any kind will not be tolerated. Any unacceptable behavior will result in suspension or removal from the group.

TRANSPORTATION:

Because *Showstoppers* and *Rising Stars* are touring groups, members will need to find transportation to and from performances and events. YTCC will not be providing any transportation. Any carpooling must be arranged on your own and will be at your own risk.

PERFORMANCES:

We hope to be scheduled for at least one performance or appearance a month for the entire 2026-2027 season, circumstances permitting. These will include several touring shows, as well as many major Youth Theatre Carson City events in which all performers will be participating. If you have any ideas of where you might like to see the Showstoppers and Rising Stars perform, please don't hesitate to contact us or give our contact information to a venue. We will try to give at least 2 weeks notice before any scheduled performance; however, this is not always possible. Call times for performances will vary, but generally, we would like the kids to arrive, ready to perform, one half hour before the time scheduled to perform. If you must miss a performance, you must give at least two weeks notice (except in the case of emergency). Missing multiple performances may result in removal from the group.

Schedule changes for rehearsals and performances will be announced each week at rehearsal and will be included in frequent updates to the SHOWSTOPPERS Band App page.

MUSICAL THEATRE COMPETITIONS OF AMERICA:

In 2019 the YTCC Showstoppers became a competitive performance team, winning multiple awards and honors at the Musical Theatre Competitions of America in Southern California. MTCA is a nationally recognized competition where our students get to learn alongside and compete against other performers from all over North America, and work closely with Broadway professionals. We will be returning to compete once again this coming **February 4-9, 2027**. All of our performers are encouraged to participate not only in our large group performances, but in solo, duet, dance and technical categories. The more students participate in individual competition, the better our chances for bigger awards. More information on this will come as we receive it from MTCA. **If you cannot participate in this competition or the rehearsals leading up to it, please do not audition this season.**

TUITION, TICKET SALES, FUNDRAISING & PROMOTION:

Each Showstopper will be required to pay a \$150 materials fee for the season due at the first rehearsal. This helps cover the cost of music, royalties, team gear, costumes, facilities, etc. Scholarships are available based upon need. Additional competition fees are required for individual events.

Each member of the group will be required to raise funds toward the program, as well as potential fees for competition. This can be accomplished through donations, ad sales, raffle prizes, etc. Each Showstopper will also be required to sell tickets to our Holiday fundraiser, Spring Show, Pancake Breakfast, etc. We use these fundraisers to try to keep the cost of travel and competition fees as low as possible for our families. More information regarding this will be available at a later date.

Alternately, a Showstopper may choose to pay a \$750 one time fee at the beginning of the season and be excused from fundraising. This fee does not excuse the Showstopper from physically participating in fundraising or promotional events and does not cover uniforms or individual event competition fees.

An important part of being a YTCC Showstopper is being a representative of Youth Theatre Carson City. That means it is one of your duties to help positively promote YTCC and its programs throughout the year (i.e. word of mouth, social media, assisting with poster hangings or other promotional endeavors as needed, assisting with YTCC sponsored programs, etc.) You are the face of YTCC, and your efforts are a valuable way to let the community know about what Youth Theatre Carson City has to offer.

EDUCATION REQUIREMENT:

All members of YTCC's Showstoppers and Rising Stars Competition Teams will be required to be enrolled or involved in some sort of music program (school choir, voice lessons, etc.) AND dance/movement program (dance class, martial arts, gymnastics, etc.) over the course of the season. This team is only as good as its weakest member, so we encourage all of our cast members to continue working, learning and improving through quality dance, music and theatre training to allow our program to reach its highest potential. Please let us know if you need assistance in finding appropriate classes.

WORK HARD, BE NICE, LEAVE YOUR HEART ON THE STAGE, & HAVE FUN:

This group is expected to work incredibly hard; however, we try our best to make it the most enjoyable and rewarding experience possible for all involved. Your positive attitude and enthusiasm will help us make that happen!
